Questions and instructions

PRE QUESTION

Now I would like to ask you about the crops that you yourself were responsible for selling or preparing for home consumption. If your spouse sold the crops from a specific shamba or garden, do not include those crops. Include all fruits and vegetables.

INTERVIEWER INSTRUCTIONS

Ask about each crop separately. First, record the code for the crop that is being discussed. If the respondent is telling you about cabbage outputs, for example, you should write 6 in the first column.
