INTERVIEWER INSTRUCTIONS

Write down the exact description of the job of the individual in block letters. Then find the code for the type of job that most closely fits the description. Write the code number in the column 2b, which is labeled "Occupation Code." For example, suppose that the individual is employed as a truck driver for a company. This means the individual occupation is "Transport worker - code 5." You should write the following:

Description: TRUCK DRIVER Occupation Code: 5

** If the individual worked as a wage or salaried employee in more than one job in the past 7 days, then you should begin by asking about the job in which he/she spent the most amount of time in the past 7 days.
